IPEVO DO-CAM Creator's Edition

USB Visualizer

An essential part of a mobile-workplace setup for professionals who enjoy the freedom of working anywhere and any way they choose. DO-CAM is ultra-portable and folds into the size of a pencil case. Its sleek design allows it to blend into any professional environment. "Unfold, plug, and play" is all it takes.

High-quality image, seamless performance

The 8MP Sony sensor ensures that the scene in front of the camera gets captured with clarity and in high detail.

Simple as "Show &Tell"

DO-CAM is plug-and-play, and its camera head can be easily flipped upwards, which allows you to switch between displaying your desk and yourself in real-time.

Distance Learning / Working Ready

Works with video conferencing software such as Zoom, Google Hangouts, GoToMeeting, Microsoft Teams, Webex, or Skype.
