STIX Controller Cap Set - for PS5/PS4/Switch multicolor

Improve your analog-stick control, protect your controller and also give it a new, distinctive look. The STIX Controller Cap Set enhances the ergonomic comfort of your analog sticks, offering you greater control when dealing with tricky situations. The caps attach quickly and can be removed at any time – so you can try out any one of the four other colours. The set is compatible with controllers for PS5® and PS4® as well as Nintendo Switch® consoles and Speedlink RAIT controllers.
