

Time Clock

Reads Fingerprint, RFID or PIN

TM-626

The complete and convenient solution

to manage your workforce and take back control over time.

With a flexible combination of punching, scheduling, handling timesheets and reports. It's time for clarity.

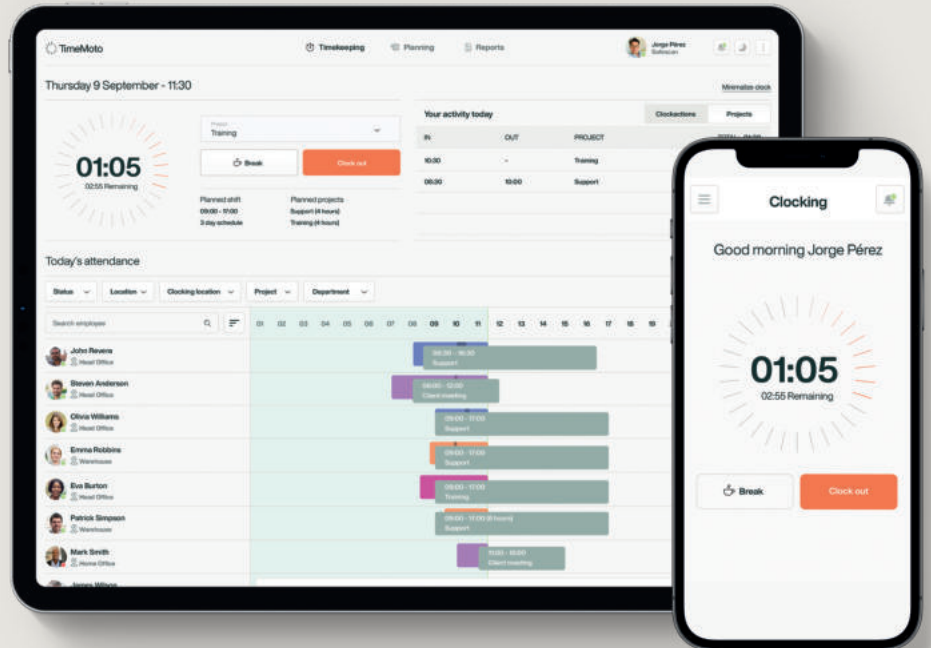

TM—626 is perfect for smaller to medium-sized businesses with up to 200 employees and can store up to 10,000 time logs. Whether you are working in manufacturing, hospitality, or retail. TM—626 is all-industry-suited. Perfect for when you want to register and manage work time more efficiently. The clockwork seamlessly blends into every working environment. The intuitive design assures easy punching with extra security and convenience. Empower your employees. Whether it is with a fingerprint or the standard RFID Badge and PIN code.

Choose fingerprint recognition for extra security and ease of punching in and out. Securely encrypted into a unique code kept within the TM—626 clocks hard drive. Irretrievable. Unrecoverable. Can't be lost. Or opt for the RFID Badge. Punch in and out within a matter of seconds. Guaranteed plug and play with an easy installation guide. 3-year warranty included. From German to Spanish. We support over 10 languages worldwide. And counting. Take back control.

Punch in. Punch out. That's all.
