Key count	108		
Switch travel	1.8 +- 0.3 mm		

KEYSONIC **KSK-8023BTRF**
Full-Size Bluetooth® & RF keyboard for Windows®, macOS® and Android

Switching as desired

1x RF and 3x BT are available. This allows flexible switching within 4 paired devices. The use and control of the KSK-8023BTRF responds reliably within a range of 8 m (equivalent to 26 ft). This allows you to choose your workstation as desired.

Suitable for working at home and elsewhere

The KSK-8023BTRF is charged within 2-3 hours via the USB Type-C® cable supplied. The keyboard is then ready for use without having to rely on a power source. The charging status of the keyboard is indicated by a glowing lightning symbol.

Multimedia at your fingertips

The KSK-8023BTRF is equipped with useful function keys that are adapted to the various operating systems such as Windows®, macOS® or Android. Conveniently control your multimedia system using the function keys on your keyboard. You can also easily switch between Windows®, macOS® and Android via the keyboard.
