ICY BOX **IB-CR301-C3** Type-C™ USB 3.0 Multi Card Reader

Always right

With the twist-proof USB Type-C™ connection, it does not matter how the plug is plugged into the connection. It will always fit and save the user a lot of excitement.

The ideal companion

The IB-CR301-C3 is the ideal companion for professionals as well as for casual users. With the integrated USB Type-C™ cable (15 cm) the high-resolution files from the memory cards (CF, SD, microSD) can be processed easily and quickly.

Compact and sturdy

The housing is made of high-grade aluminium. Due to the compact and sturdy construction and the integrated USB Type-C™, the card reader is also ideal to take with you.
