

SL-6515-BK

THUNDERSTRIKE Gamepad - for PC, black

The THUNDERSTRIKE Gamepad makes gaming fun and easy on the PC thanks to its clear layout and driverless installation. It has eight digital buttons for action-packed games, plus it features four quick-access shoulder buttons and two analogue sticks for fast and precise commands. In addition, you can activate the rapid or auto-fire functions at the touch of a button – a really handy feature that gives you an in-game tactical advantage.
