

## ICY BOX IB-M2S253

### M.2 SATA to 2.5" SATA adapter

#### Key features

- Easy conversion of an M.2 SSD into the 2.5" format
- For M.2 SATA SSDs (PCIe NVMe M.2 SSDs are not compatible)
- Suitable for M.2 SSD of lengths 22x 30/42/60/80 mm
- SATA III with up to 6 Gbit/s, downward compatible
- Standard 2.5" format with 7 mm height

#### Packing content

1x IB-M2S253, 1x Screw set, 1x Manual

No M.2 slot? No problem. With the IB-M2S253 M.2 SATA to 2.5" SATA adapter, an M.2 SSD can be easily integrated into older systems. The adapter is identical in construction to a standard 2.5" SSD with 7 mm height and thus fits in everywhere where the common 2.5" SSD is normally at home. The B-Key M.2 socket with SATA III support can accommodate M.2 SSDs with lengths of 30, 42, 60 and 80 mm and thus offers the desired flexibility.

#### Technical data

<b>Model</b>	IB-M2S253
<b>Article no.</b>	60931
<b>EAN code</b>	4250078172611
<b>Colour</b>	Black
<b>Material</b>	Aluminium
<b>Interface to host computer</b>	SATA I,II,III
<b>Socket</b>	B-Key
<b>M.2 card size</b>	22x 30/42/60/80
<b>M.2 interface</b>	SATA III (AHCI)

#### Supported M.2 card keys

#### SSD capacity

#### Transfer rate

#### System requirements

M.2 SATA B-Key/ B+M-Key

Unlimited

Up to 6 Gbit/s

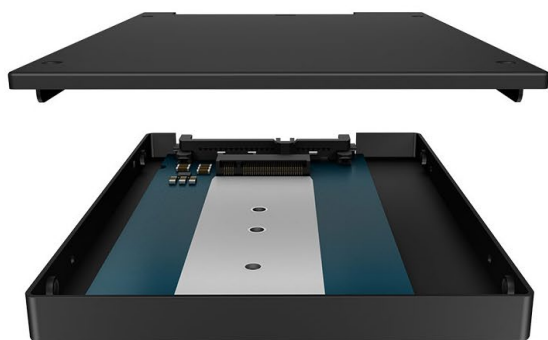

Passive

Bus powered

Windows®

One free standard SATA 7-pin (data) and 15-pin (power) port or one 22-pin SATA port

One M.2 SATA SSD 22x 30/42/60/80 mm

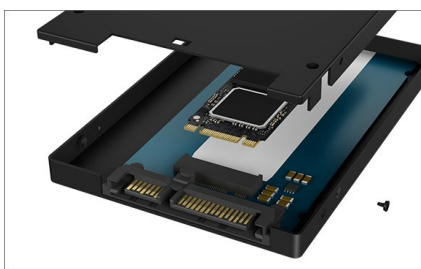

## ICY BOX **IB-M2S253** M.2 SATA to 2.5" SATA adapter

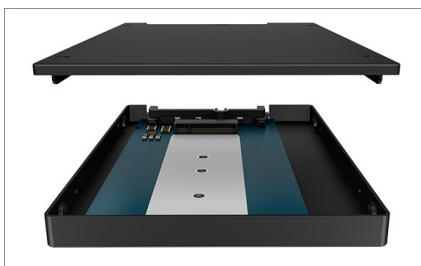

### EasySwap

Simply convert from M.2 to 2.5" format. If no M.2 slot is available, an M.2 SSD can still be fitted: just use an existing SATA 22-pin or a 7-pin & 15-pin SATA III connector via our IB-M2S253 adapter. Up to 6 Gbit/s data transfer rate is possible.

### Flexibility

The four fixtures for all common M.2 lengths ensure maximum flexibility, even when installing a shorter M.2 SSD. The M.2 sizes 22x 30, 42, 60 and 80 mm are possible with the IB-M2S253 and are very easy to install.

### High-quality workmanship

The adapter features a plain black colour and the usual dimensions of a standard 2.5" SSD. Made of aluminium, it is particularly robust and durable. With 2.5", a height of 7 mm and the usual drill holes for installation, the adapter ensures 100% 2.5" comfort.

#### Logistical data

**Packing unit:** 40 pcs. / carton  
**Total weight:** 5.1 kg  
**Gross weight (with packing):** 0.111 kg  
**Net weight:** 0.046 kg

**Dimension/carton:** 500x220x300 mm  
**Dimension (with packing):** 27x105x200 mm  
**Dimension of article:** 100x70x7 mm  
**Country of origin:** China
