ICY BOX **IB-HUB1430**
4 Port USB 3.2 Gen 1 In-Desk Hub

USB within reach

The IB-HUB1430 brings the USB ports to the table and even saves space by cleverly using the already existing cable routing.

That´s not all!

The additional EU socket (230 V) allows you to connect another device directly at the table. Headphones or other audio devices can also be connected to the audio sockets.

Fast reading, fast loading

The four USB Type-A ports support USB 3.2 Gen 1 and transfer rates of up to 5 Gbit/s. Thus, this in-desk hub offers the possibility to connect a multitude of additional USB devices.
