Monitor stand with table support for two monitors up to 32"

Movable

No matter how you like to work - the different joints can be moved in many angles. This allows the monitor to be aligned exactly as required. A full rotation is possible, just like adjusting the height, inclination or distance to the wall.

Simplified monitor mounting

Quick-release VESA® plates of exquisite structure and detachable joints make it an ideal support for longer life and easy installation.

With firm hold

The desk mount allows the IB-MS314-T to be attached to desks. The ingenious design ensures a uniformly distributed weight and firm hold on the desk. No more crawling under desks on your hands and knees! The IB-MS314-T single monitor arm comes with top fix fitting.
