Article no.	61080
EAN code	4250078174134
Colour	Black
Interface to host computer	USB 2.0

Key count	3
Life expectancy	3 million cycles
Operating temperature	0°C to 50°C
Storage temperature	-20°C to 65°C
Operating system	Windows®, macOS®

KEYSONIC **KSM-6188T-B** Ergonomic trackball mouse

Optical sensing precision

Achieve superior cursor accuracy with advanced optical sensing technology. This trackball mouse provides smooth and precise navigation, ideal for intricate graphic design and routine computing tasks. Enhance your workflow with dependable and accurate tracking.

Ergonomic 55 mm trackball

The 55 mm trackball is crafted for ergonomic comfort, offering a satisfying and tactile interaction as you navigate. Its large surface fits perfectly under your palm, supporting natural hand movements and reducing strain during extended use, making every task more comfortable.

Quick navigation keys

Facilitate your browsing and application navigation with the back and forth quick keys. These keys make it easy to navigate browser history and support settings adjustments in compatible apps, offering a more fluid and responsive user experience.
